Mathematical Methods in Economics

Wiedner Hauptstr. 8-10 / E105, 1040 Wien, Austria  
<https://swm.tuwien.ac.at/>

The Institute of Statistics and Mathematical Methods in Economics, research unit Applied Statistics, TU Wien, invites applications for the following position to start in May 2017:

## Research/Teaching Assistant (PhD Position)

**Responsibilities:** The successful candidate is expected to conduct research in high dimensional and applied Statistics that will lead to a PhD dissertation and carry a teaching load of about 1.5 weighted hours per semester (this corresponds to 3 hours exercise classes per week) in the Bachelor and Master's program of Statistics and Mathematics in Economics.

The contract is for a 25h/week employment as a PhD candidate for a period of 2 years with a possibility of extension.

**Qualifications:** The successful candidate will have a (nearly completed) master degree or equivalent (e.g., MSc, Dipl.-Ing., Mag.), preferably with distinction, in the following fields: Statistics, Mathematics, Applied Mathematics or Computer Science, or equivalent university studies.

**Other Skills:** Knowledge of German is desirable but not required.

**Salary Range:** The monthly minimum salary is currently (in the collective agreement §49 (3) pay grade B1, basic) EUR 1706.87 gross (14x per year). Prior experience may result in higher salary.

**Application Information:** The application should include the following documents:

- Application letter/Statement of interest (Motivationsschreiben)
- Curriculum Vitae
- Master thesis, Diplomas
- Copies of academic transcripts and diplomas  
(please include a translation if these are not in English, German or French)
- Reference letter(s) or contact information for references

**Application Deadline:** March 31, 2017

For further information, please contact Prof.Dr. Efstathia Bura, [efstathia.bura@tuwien.ac.at](mailto:efstathia.bura@tuwien.ac.at).

Please send your application documents preferable as a single PDF file via e-mail to the HR department for scientific employees (Personaladministration, Fachbereich wiss. Personal) of TU Wien: Ms Barbara Triebel-Kraus, [barbara.triebl-kraus@tuwien.ac.at](mailto:barbara.triebl-kraus@tuwien.ac.at).

TU Wien is an equal opportunity employer and places particular emphasis on fostering career opportunities for women/persons with disabilities. Qualified women/persons with disabilities are strongly encouraged to apply. Preference will be given to female candidates/persons with disabilities when equally qualified.

For further information regarding TU policies for persons with disabilities, please contact Mr Gerhard Neustätter, [gerhard.neustaetter@tuwien.ac.at](mailto:gerhard.neustaetter@tuwien.ac.at).
